

# Pre-Session Checklist

## Call Sheet

Before your session, we will send over a call sheet. The call sheet will include the date, time and location of your shoot. It will also give you information such as where to park and the nearest emergency services.

## Outfits Washed & Ready To GO

Plan ahead, some day you might need one.

## Well Rested

\*save the chores for tomorrow  
Get plenty of rest! Get to bed early and get a good night sleep.

## Well Fed

Make sure you eat! Fill the bellies of all session participants before your session. This is especially true for young children and DADS!

## Props

Don't forget props. Bring along any small, meaningful items you'd like to incorporate into your session.

## Arrive Early

Arrive early! Arrive 15 min early to give yourself plenty of time for last minute issues that may arise.
